## **“This is America! Flag Collage”**

Grades K-5

**Objective:** The students will create an American flag collage to celebrate diversity.

### **Materials:**

- Magazines and newspapers that may be cut up
- glue
- large white paper
- large red paper
- large blue paper
- scissors

### **Procedure:**

1. Have students celebrate diversity by making an American flag collage out of the many faces that make up America.
2. To do this, begin by having students cut out images of faces out of magazines or newspapers.
3. Construct an American flag by using red, white, and blue paper.
4. Have students glue the faces they cut out onto the white parts of the flag---the white stripes and the stars.
5. Have students keep working until all white parts of the flag are filled.
6. Once finished, students should see how beautiful diversity is!

### **Assessment:**

Evaluate students on their participation in the making of the flag collage.
